NOTICE TO NAVIGATION INTERESTS

OKEECHOBEE WATERWAY- CLEWISTON, FLORIDA

1. **Moore Haven Lock Closure** – Moore Haven Lock will be intermittently closed for a 1 week period due to repairs to the Railroad Bridge immediately adjacent to the Lock. The lock will remain open to daily vessel traffic during the 1 week period, however the available hours of lockage will occur at 0600-0700, 1200-1300 and 1700-2130 hours. The closure period for these reduced operating hours of the lock is scheduled for 18-24 June 2011. This closure is required in order to complete repairs to the US Sugar RR Bridge adjacent to the Lock and Dam. The installation crews will be working in advance of the closure periods to complete this work and have the RR Bridge and Lock back in normal operation as soon as possible. Please call the US Army Corps of Engineers at 904-232-2103 (Aaron Kelly) for the latest information regarding the lock status. Information will also be updated on the link provided as soon as known.

a. **(Moore Haven Lock):** Moore Haven Lock will be intermittently closed for a 1 week period starting 18 June 2011 thru 24 June 2011. Dates are tentative.

b. During the scheduled 1 week maintenance event above, accessing the Okeechobee Waterway via the Moore Haven Lock will be restricted to the stated operating hours until the work is completed.

2. Additional information concerning Lake Okeechobee or other Navigational interests may be obtained by accessing the Jacksonville District web site at <http://www.saj.usace.army.mil> and choosing the OPERATIONS DIVISION tab and selecting the NOTICE TO NAVIGATION from the pull down menu.
